

### Evans Dining Table

*With a live edge, the Evans Dining Table is the center of the fun. Made with a white washed solid acacia wood and dark iron legs, this table features its own unique combination of knots and grains. Whether you're looking for an industrial or contemporary modern piece, this table will be the perfect fit. Wipe with a damp, clean cloth and finish with a clean dry cloth. Keep out of direct sunlight and use coasters or corks to preserve the natural finish of the wood when you place hot or cold items on the table. If you wish to use a furniture wax, test on a small area of the item that you don't*

**Edge Dining Table Large**

*True to its namesake, the Edge Dining Table features a live edge. Thick slabs of solid acacia wood add a natural component to the grey stained wood. A solid iron base adds a contemporary modern twist. Wipe with a damp, clean cloth and finish with a clean dry cloth. Keep out of direct sunlight and use coasters or corks to preserve the natural finish of the wood when you place hot or cold items on the table.*

### Focus Dining Table

*Set the scene with the ultimate combination of style and high quality materials. The Focus Dining Table is elegant in its detail-oriented craftsmanship. Made of solid sheesham wood, the Focus Collection's modern design is maintained with brass detailing. Wipe with a damp, clean cloth. Keep out of direct sunlight and use coasters or corks to preserve the natural finish of the wood when you place hot or cold items on the table. If you wish to use a furniture wax, test on a small area of the item that you don't usually see.*

**Bird Dining Table Large**

*Not afraid of a dramatic flair? The Bird Dining Table is the table for you. With a solid oak table top and ergonomic iron base, this table makes a statement sure to be the center of your dinner party conversations, literally. Wipe down with a damp clean cloth. Do not put hot pots directly on your table. Wipe up spills immediately.*

### Focus Sideboard

*A sideboard worthy of hosting dinner parties, the Focus Sideboard is elegant in its detail-oriented craftsmanship. Made of solid sheesham wood, the Focus Collection's classic design is maintained with brass detailing and minimalist hardware. Spacious shelves and drawers give you a storage solution for keeping you and your family organized. Wipe with a damp, clean cloth and finish with a clean dry cloth. Keep out of direct sunlight and use coasters to preserve the natural finish of the wood. If you wish to use a furniture wax, test on a small area of the item that you don't usually see.*
